Awesome is perceived, described, and pronounced many different ways. One of the proper pronunciations is DRAGON. Cake is an ancient form of Awesome, often practiced on special occasions such as birthdays, which are also Awesome. Point being, Awesome is everywhere, and anywhere is Awesome.

Upon sitting down and pondering the many forms of Awesome, we came to realize, that not only are we ourselves Awesome, but so are the students of NPHS. To prove that we set out on a quest, an Awesome Quest, to find out what the students of NPHS find Awesome.

When it comes down to it, you guys have a bit of a strange sense of Awesome, but Awesome nonetheless.
