

Microsoft Office 2007 for Home Use

Any NPPS staff member can get the Microsoft office 2007 Pro plus for about \$77 + shipping. They will need to pick up a form from Barb Jesse at Mckinley. It has instructions to go to a website and order online, they will send you an install cd and license key in the mail. Make sure to order the 2007 Pro Plus for \$77, not the one for \$12.00) I'm not sure what they will get for \$12.00, possibly the cd without a license key.

Thanks.
